*Karen Tunucci,  
Director of Applications  
Int'l Dairy Queen*

## Who We Are

Founded in 1997, Vortex Consulting specializes in SAP consulting solutions and staff augmentation services in the US and Canada. We have a North American reach of SAP talent and provide proven, senior-level consulting resources who immediately contribute to the success of your project. Our consultants bring an in depth understanding of SAP and extensive implementation experience.

We are experienced consultants ourselves, and know what it takes for a consultant to be effective. We work with our clients to understand their project requirements and use our experience to identify cost-effective solutions and resources who bring solid experience, motivation, and technical expertise.

## What We Do

### SAP Consulting Solutions and Services

From blueprint to go-live, we can assist in all phases of your SAP project. We have a national reach to bring you the best SAP talent available and offer services in:

- Senior / Expert Level SAP Resourcing
- Contract Staffing (Remote / Onsite)
- New Modules, New Functionality
- Assessments and Strategy Assistance
- Project Management
- Production Support
- Archiving
- ABAP Development

We specialize in SAP Financials and other modules across the SAP Enterprise including:

- FI/CO
- SD / MM / PP / WM
- HR / Payroll
- Customer Relationship Mgmt (CRM)
- Financial Supply Chain Management (FSCM)
- Business Intelligence (BI)

## Client Benefits

We have built our reputation by listening to our clients and understanding their resource needs. Clients recognize that Vortex candidates are well qualified and professional.

**Trust** – We interview every candidate in detail. We assess a candidate’s SAP application knowledge, implementation experience, and their communication and consulting skills. We only submit candidates that have the skills and background to meet our client’s needs.

**Expertise** – Our experienced consultants provide immediate expertise and enable our clients to rapidly build, integrate, and deploy software solutions.

**Value** – We deliver value by offering highly motivated, experienced consultants with proven skills, at competitive rates.

*“Vortex has consistently provided us with senior-level consultants who get results.”*

*Mgr - Finance & Business Reporting,  
Fortune 500  
Building Products Mfg.*
